

MANAGED PRINT SERVICES

ARE PRINTING COSTS HURTING YOUR BOTTOM LINE?

COPY • PRINT • SCAN • FAX • ARCHIVE • RETRIEVE • WORK SMART

Topp Business Solutions' Managed Print Services (MPS) is an innovative print management system that will allow you to manage, service and supply your printers, allowing your organization to gain control, increase efficiencies and manage costs. And most importantly, it allows you to focus on your core business operations...all starting with a free analysis.

Here's a look at what putting just ONE printer on MPS can save:

Without MPS

HP LaserJet 4250 B/W Laser Printer

Average Volume - 3,000

Fill Percentage	Cost per Page
5% Toner Coverage	2.37 cents
10% Toner Coverage	4.00 cents
15% Toner Coverage	5.71 cents
25% Toner Coverage	9.05 cents
35% Toner Coverage	12.39 cents

With MPS

HP LaserJet 4250 B/W Laser Printer

MPS Key Elements

PRINT MANAGEMENT SOFTWARE

Powerful, easy-to-use and designed to monitor, report and manage printer fleets. Data Collection Software (DCS) remotely collects and stores all device diagnostics data. This allows Topp to monitor overworked or under-used devices and identify trouble spots before malfunctions occur. Secure data transfer meets compliancy standards and automates tasks to ensure safety and reliability.

INVENTORY AND SERVICE MANAGEMENT

Automated inventory replacement and dispatched technical services reduces hours spent on device upkeep. Proactive maintenance extends the life of the printers and reduces downtime.

LOCAL SUPPORT - SINGLE CONTACT

Topp Business Solutions has been serving the region for nearly 60 years and our well-trained team is available 24/7 to meet your service needs. In addition, combining costs you already manage into one invoice provides for better oversight and control while quarterly report keeps you abreast of unnecessary costs and inefficiencies before they control you.
